15 family legacies. A collective responsibility.

Launched in New York, the Africa House Legacy Initiative brings families and stewards together to carry Pan-African values into education, institutions and economic life.

Through an ongoing series of roundtables, discussions and events, Africa House will connect generations, develop shared priorities and build collaboration rooted in African and diaspora agency.

"Legacy is not a title we inherit. It is a responsibility we renew."
— Olivia Senghor

An agenda that continues beyond New York.

KENYA ROAD TO DAVOS

An investment pathway

Government, investors and delivery institutions aligned around projects, risk allocation and partnership.

FUTURE FORCE 50×35

From learning to earning

Education, employment, enterprise, research and finance connected through a human-capital framework.

LEGACY INITIATIVE

Continuity across generations

Pan-African and diaspora histories connected to stewardship, education and purposeful collaboration.

LAUNCHED IN NEW YORK
